Picnic Shelter Reservation Information

Picnic shelters at the Priest River and Riley Creek Recreation Areas are available on a first-come, first-serve basis or by reservation. If, on the day you are visiting the recreation areas, the shelters are not marked as being reserved, you may occupy the shelters for the day. If they are reserved, signs on the shelters will indicate that a reservation has been paid for and the shelters are not available to first-come, first-serve use. If there are any questions about shelter availability, please contact the park attendant within the recreation area.
